

Village of Mohawk Residential Income Survey

The Village of Mohawk is planning to continue their 2004 and 2008 Village-wide Housing Rehabilitation Program efforts. Vital funding resources are available to support programs for our special needs families, including our elderly, veterans, disabled, single parents, and lower income families. These programs also support other community and economic development needs for our Village. In order to qualify for funding, the Village needs your help. Our goal is to collect over 600 surveys!
